**§ 48.406 Withdrawal and reduction of percentage or amount of participation.**

A retired member who is participating in the Plan may revoke his election and withdraw from participation, or he may reduce the amount of the survivor annuity; however, an approved withdrawal or reduction will not be effective earlier than the first day of the seventh month beginning after the date his application is received by the Finance Center controlling his pay record. (For special rules covering participating members retired before Aug. 13, 1968, without option 4, see § 48.604.) No application for reduction will be approved which requests a change in options. A request to reduce an annuity or to withdraw from the Plan is irrevocable, and a retired member who withdraws may never again participate in the Plan. Approval of a request for a reduction will not be made when such reduction results in an annuity of less than 12½ per centum of the member's retired pay or less than a \$25 monthly annuity. The new cost, after such reduction in survivor annuity, will be computed from the applicable cost table at the time of retirement. No amounts by which a member's retired pay is reduced may be refunded to, or credited on behalf of, the member by virtue of an application made by him under this section.

All annuities payable under this Plan except those payable to beneficiaries described in § 48.102(e)(5) shall accrue from the first day of the month in which the retired member dies and shall be due and payable not later than the 15th day of each month following that month and in equal monthly installments thereafter, except that no annuity shall accrue or be paid for the month in which entitlement to that annuity terminates.

**§ 48.503 Claims for annuity payments.**

Upon official notification of the death of a retired member who has elected under the Plan, the department concerned shall forward to the eligible surviving beneficiaries the necessary information and forms (DD Form 768, Application for Annuity Under Retired Serviceman's Family Protection Plan) for making application for annuity payments. Such information shall include the place to which the application should be forwarded and to which questions regarding annuity payments should be addressed.

(b) Annuities payable to or on behalf of an eligible child as defined in § 48.102(e)(5) accrue as of the first day of the month in which—

(1) The member (upon whose retired pay the annuity is based) dies if the eligible child's 18th birthday occurs in the same or a preceding month, or

(2) The 18th birthday of an eligible child occurs if the member (upon whose retired pay the annuity is based) died in a preceding month, or

(3) A child first becomes (or again becomes) eligible, if that eligible child's 18th birthday and the death of the member (upon whose retired pay the annuity is based) both occurred in a preceding month or months. An eligible child under this paragraph might become ineligible at age 18 and again become eligible by furnishing proof of pursuit of a full time course of study or training as enumerated in § 48.102(e)(5).
